

## A National Leader in Providing Complete Fire & Life Safety Solutions

Sales / Installation / Inspection / Maintenance

### A Key Component of a Fire Safety Program

To ensure compliance with NFPA standards and local regulations, Total Fire Protection offers installation and maintenance of:

- Rack Fire Hoses
- Couplings
- Nozzles
- Brass Reducers

### We Perform NFPA Required Testing & Inspection Including:

- Monthly Inspection of Fire Hoses
- Annual Testing of Fire Hose Nozzles
- Annual Testing of Fire Hose Storage Devices
- Annual Main Drain Test
- 5 year Hydrostatic Testing
- 5 year Pressure Reducing Valves
- Provide Log Book of all Fire Hose Locations
