

A National Leader in Providing Complete Fire & Life Safety Solutions

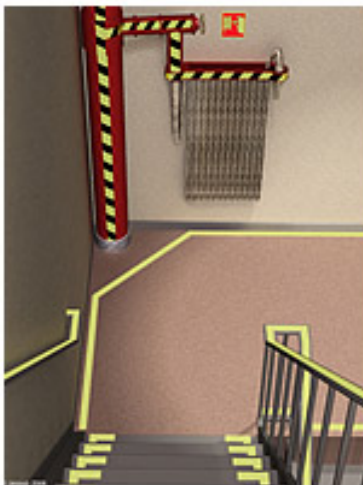

Sales / Installation / Inspection / Maintenance

Protect Your Building

Fire protection and safety services should be a priority for your building. Your building needs to be in compliance with NFPA and OSHA regulations.

However, you may already be paying too much, to multiple companies, for services that can be consolidated. Total Fire Protection can help you design a cost-effective, code-compliant fire and life safety program, best suited to your needs.

Services Offered Include:

AED/CPR Sales & Training	Flame Proofing
Automatic Fire Suppression Systems	Kitchen Fire Suppression Systems
Certified Firestopping Services	Photoluminescent Exit Markers
Emergency Exit Light Testing	Pre-Action Systems
Fire Extinguishers	Preparedness Kits
Fire Alarms	Safety Program Development
Fire Proofing	Sprinkler Systems
First Aid Products	And More... Contact us for a quote
